Welcome Messages

CHAIRMAN

**dr. Rahmi Ardhini, Sp.N,
Subsp. N-Onk(K)**

CHAIRMAN

Assalamualaikum wr.wb.

Greetings to all of us,

Semarang Continuing Medical Education Semarang Trending Topics of Neurology 7th (STRONG 7) is one of a series of annual scientific activities and this time coincides with the PERDOSNI Joglosemarmas Regional Scientific Meeting organized by Perdosni Semarang Branch in collaboration with the Neurology Section of the Faculty of Medicine, Diponegoro University - RSUP dr. Kariadi Semarang.

The theme we raised this time at the regional scientific meeting was Revolutionizing the Landscape of Neurology Practice in Diagnosis and Treatment. This theme was chosen with the hope of opening up insights and strengthening our understanding of the latest developments in the field of neurology, especially in efforts to improve the quality of diagnosis and treatment.

In recent years, advances in medical research and technology have had a significant impact on neurology practice. At this event, we will discuss the latest approaches and innovations that can serve as inspiration and footing for the way forward in daily practice. Strong 7 In Conjunction With PIR Joglosemarmas will be held on July 10 - 12, 2025, this activity consists of 8 symposium sessions, 3 Plenary lectures and 13 workshop sessions, complemented by a scientific poster competition, for 3 days. PIR Joglosemarmas - STRONG 7 will involve national speakers who are qualified in their fields, targeting fellow neurology specialists and general practitioners in Indonesia.

The implementation of PIR Joglosemarmas - STRONG 7 certainly involves many parties, including pharmaceuticals. Perdosni Semarang Branch in collaboration with the Neurology Section of the Faculty of Medicine, Diponegoro University invited pharmaceutical companies to participate in the success of this activity.

We hope that this series of activities can be well organized, to bring benefits to many parties.

Wassalamu alaikum warahmatullahi wabarakatuh

Sincerely,

dr. Rahmi Ardhini, Sp.N, Subsp. N-Onk(K)

Chairman

Welcome Messages

Chairman of PERDOSNI Semarang Region

Assalamualaikum wr.wb.

Greetings to all of us,

First of all, we would like to give praise and gratitude to God Almighty, who has bestowed His mercy and grace so that we have the opportunity to organize the PERDOSNI Regional Scientific Meeting. This event, which involves neurology specialists from Yogyakarta, Solo, Semarang, and Banyumas, is expected to be a place to share knowledge and deepen our understanding of the role of technology in the world of neurology.

Dr. dr. Retnaningsih, Sp.N, Subsp.
NIITCC(K), KIC, M.KM

CHAIRMAN OF PERDOSNI SEMARANG REGION

As Chairman of the Indonesian Society of Neurology Specialists, I am honored and delighted to be able to deliver remarks at the regional scientific meeting with the theme Revolutionizing the Landscape of Neurology Practice in Diagnosis and Treatment. This theme is very relevant to the dynamic developments in the field of medicine, especially in the practice of neurology which continues to face new challenges and opportunities.

Technological developments and research advances have opened up innovative opportunities that are changing the way we diagnose and treat neurological disorders. Through this meeting, we hope to gain deeper insights, share experiences, and establish closer cooperation among experts and practitioners.

Sessions that include discussions on artificial intelligence, telemedicine, and other modern methods are expected to spark new ideas and strengthen our commitment to improving the quality of care for patients.

Hopefully, this meeting will provide great benefits, strengthen collaboration, and spur us to continue to innovate for the advancement of neurology practice in Indonesia.

Finally, I invite all participants to actively participate and make the most of this opportunity. this opportunity as well as possible. May this event be successful and full of benefits.

Wassalamu'alaikum warahmatullahi wabarakatuh.

Sincerely,

Dr. dr. Retnaningsih, Sp.N, Subsp. NIITCC(K), KIC, M.KM

Chairman of PERDOSNI Semarang Region
